Free Meetings

There are **scores of educational meetings** in the Saint Louis Metro Area in any given month.

Please visit the **SLUUG calendar** for specific locations, times, and topics.

<http://www.sluug.org/calendar/>

SLUUG has a central forum, specialized forums and LUGs (Linux User Groups) each with monthly meetings.

We look forward to seeing you at a meeting soon!

GNU/Linux Resources

This is a collection of URLs (links on the Internet) that should be helpful, useful, or of interest to newcomers.

Information brought to you by the

<http://www.stllinux.org/>

A Special Interest Group (SIG) of the

STL! / unix / usr / group

St. Louis Unix Users Group (SLUUG)

<http://www.sluug.org/>

Your forum for exchanging information about open standards, open systems, open source, products, services and architectures

Tux, the penguin shown above, is the official Linux mascot.
